The reduction of these bungalows promoted to the 3d Class means the transfer of Establishment charges from Public Works to Public Works Funds - I am not sure that this is desirable - The Chief Engineer may be asked whether these bungalows cannot be given the Establishment necessary for 2nd Class bungalows, or can be let into Dudhee Travellers Lodges.

Office of the Deputy Commissioner
Hassan District.

Dated 8th September 1897.

From

B. G. Krishna Iyengar Esqre.
Offg. Deputy Commissioner
Hassan District.

To

The Secretary to the Government of Mysore
General and Revenue Departments.

Sir,

Adverting to Government Proceedings No. 1197-8 / C.F. 73-94 dated 22nd July 1895, removing the Travellers Bungalows at Channahalli and Dandiganahalli from the list of 3rd Class Bungalows and placing them on the list of 2nd class Bungalows, as per late Chief Commissioner's notification dated 29th May 1877, I have the honour to state that, unlike the other 2nd Class Travellers Bungalows in the District, there is only one sweeper in each of the above Bungalows and that no crockery and Cutlery are supplied to them. For want of sufficient Establishment, and crockery and Cutlery in these buildings, even the few travellers halting in them have been complaining of the heavy of rent prescribed for 2nd class Bungalows - (vide Extracts from remarks made in the Dandiganahalli Bungalow book, enclosed).

2. Considering the trivial income of these buildings,

I

I do not think it advisable to keep them in the list of 2nd class ones by entertaining additional Establishments and supplying crockery and cutlery to them. I beg therefore to propose that these Bungalows may either be reduced to 3rd Class ~~ones~~ or treated as Inspection Lodges, being maintained out of the annual allotment for the road on which they are situated.

3. A statement showing the number of halts made, fees collected, and the cost of establishment during 1894-95 and 1895-96, is submitted.

I have the honour

Sir,

Your most obedient Servant

Offg Deputy Commissioner

I think it would be wise to make this a Third class Bungalow. There is only one very ordinary servant who does not liveon the spot, and the arrangements especially the latrine arrangements, are not working of anything else.
